

City of New York
DEPARTMENT OF ENVIRONMENTAL PROTECTION
Citywide Job Vacancy Notice

Civil Service Title: Stationary Engineer (<i>Electric</i>)	Level: N/A
Title Code No: 91645	Daily Salary: \$393.92 p/d
Office Title: Stationary Engineer/Electric	Work Location: Various locations throughout the five boroughs.
Division/Work Unit: Bureau Water & Sewer Operations/Distribution Operations/Pumping	Number of Positions: 3
Hours/Shift: 40 Hours per Week/Day	Agency Tracking #: N/A

Job Description

The selected candidates will be responsible for the operation of a facility; will operate, maintain, repair, inspect, test, and adjust equipment, including pumps, electric motors, generators, bearings, switchboards, controllers, transformers, circuit breakers, compressors, gauges, valves, fittings, heating, and ventilation apparatuses of several potable water facilities citywide such as pumping stations; will also perform record keeping, make inspections and prepare written reports; and prepare requisitions for materials, services and repairs that may be needed. In addition, in the temporary absence of the supervisor, may assume the duties of that position.

Qualification Requirements

1. Five years of full-time satisfactory experience within the last 10 years in responsible charge of the operation of plants or facilities utilizing high tension electrical equipment (600 volts or more) , including troubleshooting and repairing such equipment, in one or more of the following: electrical generating stations, electrical switching stations, water treatment plants, wastewater treatment plants, water pumping stations or high volume ventilation systems; *or*
2. Two years of full-time satisfactory experience as described in "1" above, and a baccalaureate degree in electrical, civil or mechanical engineering from an accredited college; *or*
3. Four years of full-time satisfactory experience as described in "1" above, and an associate degree in Science or Applied Science from an accredited college with a major in Water Quality Monitoring, Wastewater Treatment Plant Operations, Environmental Health, Environmental Control, Electrical Technology or Mechanical Technology; *or*
4. Two years of full-time satisfactory experience as described in "1" above, plus three years of full-time satisfactory experience as an electrician; *or*
5. Five years of full-time satisfactory experience within the last 10 years as an electrician, including three years of full-time satisfactory experience troubleshooting and repairing high tension electrical equipment (600 volts or more); *or*
6. A satisfactory combination of education and/or experience which is equivalent to "1", "2", "3", "4", or "5" above. Education may be substituted for experience on the basis that one year of experience will be credited for each 60 semester credits from an accredited college leading to a baccalaureate or associate degree in one of the disciplines described in "2" or "3" above. However, all candidates qualifying under "1", "2", "3", and "4" above must have at least two years of satisfactory experience as described in "1" above, except for candidates who qualify under "5" above. **Preferred Qualification:** A Motor Vehicle Driver's License valid in the State of New York. This license must be maintained for the duration of the assignment.
