I understand that it is my responsibility to know and abide by the rules and regulations for the Recreational Use of New York City Water Supply Lands and Waters (15 RCNY Chapter 16), which are available upon request from NYCDEP or from the NYCDEP website at www.nyc.gov/dep. I agree to, and shall abide by these rules and regulations and further acknowledge that the failure to do so may result in the immediate revocation of my Boat Tag, and possibly my DEP Access Permit, and prosecution to the fullest extent of the law.

I understand the potential risks of using the property, which is undeveloped and unguarded and may contain lakes, ponds, creeks, streams, reservoirs and other types of watercourses, dams, steep slopes, and other natural or manmade structures. Further, I understand that permitted use of the land, such as hunting, fishing, ice cutting, boating, hiking, cross-country skiing, speleological activities, and other outdoor activities involve risk of injury and/or death. I voluntarily and expressly assume any and all risks of personal injury or property damage that might result from my use of the property, except where such personal injury or property damage is caused by the intentional or malicious acts of the City.

I understand that I must have the boat and its accessories steam cleaned by NYCDEP or its designee at my own risk.

I agree on behalf of myself, my heirs, successors and assigns to voluntarily and fully release, indemnify, and otherwise hold harmless the City, NYCDEP, the New York City Water Board and any of their respective officers, agents, servants, representatives, designees, or employees from any and all liability for any personal injury, wrongful death, property loss, property damage, claim or expense of whatsoever nature and description, resulting from any cause whatsoever, including from the steam cleaning of the boat, arising out of my being in, on or about the Property except where such personal injury or property damage is caused by the intentional acts of the City or the willful or malicious failure to guard or to warn against a dangerous condition, use, structure or activity by the City.

I hereby further state that I am the owner of the boat described herein. I understand that this Boat Tag is not transferable and that I must inform NYCDEP of any change of ownership within (30) days of any change in ownership of the boat. I understand that I must inform the appropriate DEP office (listed Below) of my intention to remove the boat from City Property prior to its removal. If the boat is stolen, destroyed, or otherwise rendered useless, I will inform the appropriate NYCDEP Office within (30) days of learning of such, and the Boat Tag shall be cancelled. I understand that I am responsible for having the boat or its remains removed from the City Property and will inform NYCDEP of such removal at which time the Boat Tag will be rendered invalid and cancelled.

I hereby further affirm that the information provided on this form is true to the best of my knowledge and belief.
