

Next Steps for 2014

- The Training Unit will continue to roll out the Fatherhood curriculum to all new Probation Officers (POs).
- In addition to the Probation Officers in borough offices, POs at the NeON centers will also refer fathers to services that positively impact their lives and help to strengthen their families.
- The DOP will continue to hold workshops in the boroughs and invite CBOs and other city agencies to discuss the services they offer to our custodial and non-custodial fathers
- The DOP will continue to engage in citywide discussions with other city agencies and CBOs to promote and implement policies that positively impact fathers on probation.
- The DOP will continue to work with HRA to identify and assist clients in arrears, and to make payment adjustments where necessary.
- Probation Officers will strongly promote the Dads Take Your Child to School Day 2014, by discussing the power of father presence with their clients.
