Through a safe, easy, effective method, Bike NY's experienced instructors help parents teach their kids how to balance, pedal, start, stop, and steer a bicycle. 75% of participants learn in ONE session!

We will provide bicycles and helmets. All cyclists must wear a helmet to participate.

Kids are welcome to bring their own bikes if their bikes fit well (both feet should rest easily on the ground) & bikes are in good working condition—with inflated tires and training wheels removed.

Rain cancels the class. To find out if the class is canceled, call our weather hotline (212-870-2080 ext. 2).
