Green Team Fact Sheet

NYCDEP Repair/Relay Sewer House Connection Permit

Overview

Permit Type: Temporary and permanent sewer connection

Purpose: An applicant, individual or corporation, must submit an application for Permit to Repair/Relay Sewer House Connection to the NYC Department of Environmental Protection (NYCDEP) Bureau of Water and Sewer Operations (BWSO) in order to repair or relay connection to existing sewer fronting the property.

Prerequisites:

1. Applicant must be a Licensed Master Plumber.

Submission Process:

1. Obtain an application for Permit to Repair/Relay Sewer House Connection.
2. Print out application on 8 ½" x 14" paper only.

Fee: \$0

Permit Timeline: The time it takes to obtain approval on application will vary depending on whether additional information is needed. Once the application is approved, the permit can be obtained and picked up the same day.

Office Hours

Office Hours: The application should be submitted to the appropriate BWSO borough office in person from 9 am to 5 pm. Upon receiving an approval for the application, a licensed contractor can go in person to the appropriate Bureau of Customer Service (BCS) borough office and obtain a permit in the same day. The BCS is open from 9 am to 5 pm.
