TLC ANNOUNCES SNOW PLANS FOR JANUARY 12, 2011

The New York City Taxi and Limousine Commission (TLC) wishes to alert its licensees that, in the event of a five-inch (5-inch) snowfall by 5 a.m. on the morning of Wednesday, January 12, 2011 there will be NO medallion taxicab or For-Hire Vehicle (FHV) inspections at the Woodside Safety & Emissions facility that day.

Medallion taxicabs scheduled for inspection on January 12, 2011 will be inspected, instead, at their same scheduled time on Friday, January 14, 2011.

FHVs scheduled for inspection on January 12, 2011 will be individually notified of a new inspection date. For more information on inspections, licensees may call 718-267-4555.

At this time, we anticipate that our Long Island City Licensing and Adjudication facilities will be open and operating – unless otherwise noted on the TLC web site at **www.NYC.GOV/TAXI**.
