NYC Taxi & Limousine Commission and Nissan NA Offer New Yorkers a First Look at the NV200, the City's *Taxi of Tomorrow*

Nissan North America and the New York City Taxi and Limousine Commission (TLC) will host a public design expo from November 1 – 5 at the pedestrian plaza north of the Flatiron Building at Broadway and Fifth Avenue. Visitors will get a peek inside the NV200, New York's exclusive *Taxi of Tomorrow*, with an interactive display that will showcase the vehicle's proposed interior. Visitors will be invited to sit inside the interior and experience first-ever features built upon ideas from thousands of New York taxi owners, drivers, passengers, and residents.

The TLC invites and encourages all members of the for-hire vehicle industry to visit the Design Expo and get a firsthand look at the NV200. The Taxi of Tomorrow Design Expo will be open to visitors on Tuesday, Nov. 1, noon-9 p.m.; Wednesday, Nov. 2 through Friday, Nov. 4, 8 a.m.-9 p.m.; and, Saturday, Nov. 5, 8 a.m.-6 p.m. For more information, visit nyc.gov/taxi.
