As of 9 a.m. on December 9, 2013, until further notice, the New York City Taxi and Limousine Commission (TLC) will no longer collect Medallion Leasing Declaration Statements for Named Drivers. Going forward, if a medallion owner wants a Long Term Driver, he/she must select Named Driver in the Driver Authorization Statement and affirm that the Named Driver meets the qualifications set forth in TLC Rule 51-03. TLC will no longer maintain a list of the actual Named Drivers.

This change is not intended to have any effect on vehicle retirement.
