### 90-MINUTE FREE FHV PARKING IS NOW AVAILABLE AT LAGUARDIA

33 Beaver Street  
22nd Floor  
New York, NY 10004

The TLC wishes to inform all For-Hire Vehicle (FHV) drivers that they are now permitted to park for free at LaGuardia Airport's (LGA) Lot 7 while they wait for passenger fares.

This new parking area has been created to allow TLC-licensed drivers to comply with Rule §55-19(c) of the newly-passed Dispatch Service Provider rules, which prohibits drivers from accepting dispatches while parked in passenger pick-up locations at the airports. Lot 7 at LGA is now available to all TLC-licensed FHV drivers in order to provide them with space to park while waiting for dispatches.

TLC-licensed FHV drivers will be allowed to park in LGA's Lot 7 for up to **90 minutes** free of charge. If you stay in the lot for more than 90 minutes, the lot's regular daily parking fees will be applied. The cost for parking more than 90 minutes is \$16.00 plus \$4.00 for each additional half hour. Drivers who have stayed in the lot for over 90 minutes can pay the fee as they exit in cash, credit card or with EZ-Pass.

Lot 7 is located near the Marine Air Terminal across from the Shell gas station, as indicated on the map below:
