IMPROVEMENT SURCHARGE DEADLINE UPDATE

The New York City Taxi and Limousine Commission (TLC) would like to inform its licensees that the deadline for the improvement fund payment has been extended until **August 18, 2015**.

The quarterly improvement fund payment was originally due by **August 1, 2015** and has been extended due to busy summer vacation schedules and the limited window given to make the payment.

Failure to submit your payment by the extended August 18th date may result in a summons which could result in fines and/or possible suspension of your license until compliance.

Payment is available as of July 24, 2015 using the Licensing and Renewal System (LARS) which can be found at www.nyc.gov/lars.

For information on the payment timeline and instructions on how to make your payment, please refer to [Industry Notice 15-13](#) and [Industry Notice 15-18](#).
